- **Introduction :**

  My name is Aditya Agrahari, a Second Year student at Vivekananda Education Society's Institute of Technology, currently pursuing a Bachelor's degree in Computer Engineering. I am enrolled in class D7A and to add to this, I am Cultural In-Charge of my class. Alongside my academic endeavors, I actively participate in various extracurricular activities, such as volunteering with GOONJ—a cloth donation drive—and conducting workshops for students, which have significantly contributed to my development in leadership, event management, and teamwork. I am genuinely excited to submit my Statement of Purpose for joining the SE Council of ISTE-VESIT, as I believe this opportunity perfectly aligns with my interests and aspirations, providing a platform to further add to my skills, provide me exposure and contribute meaningfully to the community.

- **Why do I need ISTE?**

  ISTE-VESIT is a driving force for technological growth in our institute, offering a wide variety of workshops, career guidance sessions, hackathons, and competitions. I am eager to join this society as it provides a platform not just to improve my technical skills, but also to develop personally through fun events, placement-focused sessions, and interactions with seniors and alumni. These activities offer valuable industry insights and experiences. Being a part of ISTE will not only boost my technical knowledge but also help me grow as an individual, preparing me to face real-world challenges confidently.

- **Why does ISTE-VESIT need me?**

  I am passionate about exploring diverse domains, learning new technologies, and excelling in them. I have participated in various hackathons like **SYRUS-2024**, **FLIPKART GRID 6.0** and **Google's GEN AI Exchange**(currently participating). I have gained a lot of experience while participating in these hackathons, which I can share with my fellow members and juniors, from ISTE's platform**.** I view challenges as opportunities for growth and am eager to tackle them head-on. I have strong interpersonal skills and strive to foster an inclusive environment where everyone feels comfortable sharing their ideas. I believe in collaboration and constructive feedback to help the council grow and succeed. Moreover, I am committed to providing my juniors with the opportunities and guidance I missed during my first year. I plan to organize workshops covering the fundamentals of various fields like web development, AI, and Android development to help them build a strong foundation. My enthusiasm and dedication will contribute to creating a positive and dynamic atmosphere within ISTE, ensuring that every member can thrive and contribute effective

- **Interests :**
  - Exploring new technologies
  - Exploring various domains both in my field as well as others
  - Teaching
  - Dancing
  - Playing Sports (like cricket, football, volleyball etc)

- **Strengths :**
- **Hard Skills :**
  1. HTML
  2. CSS
  3. JS
  4. React JS(Basics)
  5. C(basics)
  6. Java(basics)
  7. SQL

- **Soft Skills :**
  1. Fluent Communication skills
  2. Cooperative spirit in teamwork
  3. Leadership skills
  4. Ability to juggle multiple tasks efficiently
  5. Effective presentation skills
  6. Independence in managing responsibilities
  7. Quick adaptability to new environments
  8. Ability to deal situations with patience and composure.

- **Weakness :**
  1. Occasionally fumble in high-stress situations.
  2. Sensitive to underperforming.

- **Aggregate CGPI :**
  1. Semester 1 SGPI : 9.27
  2. Semester 2 SGPI : 9.50

  Aggregate : 9.39

- **Achievements :**
  1. I am Cultural In-Charge of my class D7A

2. Achieved a 84% aggregate in class 10 (SSC)
3. Secured a 84% aggregate in class 12 (HSC)
4. Scored 97.52 percentile in MHT-CET
5. Scored 91.38 percentile in JEE MAINS
6. Awarded Scholarship from IDFC First Bank for 4 Years of my BE
7. Qualified till the Final Round of SYRUS-2024 Hackathon.
8. My team' s project secured rank 1 in Summer Project Internship 2024 in "Generative AI using OpenSource Technology - Llama"
9. Won 1st prize in Group Dance competition in Prarambh 2023
10. Runners-Up in Handball Event in Outdoor Sphurti

- **Post preferences :**
    1. SE Technical Officer
    2. SE Public Relations Officer
    3. SE Operations Officer
